Privacy & Cookies Policy

1. Introduction

- Our Website uses cookies.
- Our Website is not a Commercial Website; meaning that we do not sell, advertise nor do we promote any product or service on this Website. We do not accept any form of payment, money or otherwise, online via this Website.
- The sole aim of this Website is to offer an insight into both our Pre-Schools situated at Beddington or Tweeddale, Carshalton for the parents or guardians of prospective pupils of the school. It also serves as a platform for parents or guardians who possess the correct credentials to login and view pictures of some of the children involved in some of the many activities at our schools or read other information that may, from time to time, be made available to them.
- All cookies used on this Website are solely for the purpose of internal statistics with regards to who is viewing the content of this Website, when they are viewing the Website's content and to locate where the viewer is situated as much as is possible via their IP address. We only allow this Website to be viewed from within the confines of the United Kingdom of Great Britain. We do not wish for this Website nor its content to be viewed from any other country and we actively enforce this rule wherever possible.

2. What are cookies

- Cookies are tiny files containing computer code or a string of number and letters used as an identifier which is sent from the web server hosting our Website to your web browser.
- Cookies may be either "persistent" cookies or "session" cookies: a persistent cookie will be stored by a web browser and will remain valid until its set expiry date, unless deleted by the user before the expiry date; a session cookie, on the other hand, will expire at the end of the user session, when the web browser is closed.
- Cookies do not typically contain any information that personally identifies a user. We do not store any personal information about you obtained from cookies.
- Cookies can be used by web servers to identify and track users as they navigate different pages on a website and identify users returning to a website.
